Link to this page: crawling on cake Nussy, or nose, if you will, was discovered during a corona virus pandemic in 2020. People who had to check covid-19 had to have their nose smears right where the brain was connecting, which often led to people rolling back their eyes and gagging. From it developed a nose-swab-fetish, because we as humans spoiled everything. Oh yes, swab my nussyLor, please I went to medical schoolu by Pogoextreme December 25, 2020Get Nussy neck hallway and mug. Jan. 15 trending Nussy, or nasal, if you will, was discovered during a corona virus pandemic in 2020. People who had to check covid-19 had to have their nose smears right where the brain was connecting, which often led to people rolling back their eyes and gagging. From it developed a nose-swab-fetish, because we as humans spoiled everything. Oh yes, swab my nussyLor, please I went to medical schoolu by Pogoextreme December 25, 2020Get Nussy neck hallway and mug. When you go to a music festival or other event and they are grossly underrated attendance and massively skimped on port o-potties. Enter #2. There is already a cone scheiss adorning the seat, but you feel confident you can put the last stone. With your knees unbent and face to door, you ice the cake with success. Note: only one person can claim to have an ice cake for every port o-potty; extra bragging rights if you wipe out the afterwords of a wife beater and swirl that around your prize to fashion it's a makeshift crown gloryby blessing the grave February 25, 2010Get icing cake mug for your friend Sarah.Jan 15 trending first, before we look at the meaning of this idiom, what is icing? Binge = a sweet substance used as a coating on cakes or biscuits (biscuits) to make them look better or improve its taste. The importance of icing on a cake simple definition: Something that makes a good situation even better or a bad situation even worse. There are two manure and they strangely happen are opposites. This idiom can be used in a positive and negative sense. Positive meaning = an additional good thing happens to something that is already good or positive making this situation even better. Negative meaning = an additional bad thing is added to another bad thing that has already happened, making the situation worse. In this case, idioms are used in a sarcastic (or ironic) manner. For example sentences of using Icing on a cake not only offered me a higher salary, but an additional bonus I was freezing on the cake. The athlete received a gold medal and the icing on the cake was that he also received a sponsorship deal. I got fired from my job, but the icing on the cake was when it started to rain while I was walking home. Frosting on the cake Another version of this idiom is the frosting on the cake, which is used in more American English.
